## Chamber Chatter

By IRENE GROVE

The unexpected chill in the air makes us realize that Thanksgiving is almost here and that Christmas is just around the corner.

Your Albany merchants are well aware of this fact and plans are beginning to roll to make Albany a real Christmas city.

Solano Avenue Merchants Association formulated plans for holiday activities and decorations for Solano Avenue at a luncheon meeting Monday, November 17. As always Solano Avenue will be a real treat to shoppers and visitors with its "Holiday festive appearance," but best of all from the planned decorations will evolve a project for the permanent beautification of our city.

San Pablo Merchants are also ready for the season ahead with a luncheon meeting planned for Thursday, November 20 to plan Christmas decorations and activities. Some really wonderful surprises and a beautiful San Pablo Avenue are promised.

We all want our city to be beautiful at the Holiday Season but it takes everyone's cooperation. Remember your Albany merchants desire is to make Albany a pleasant and convenient place for you to shop, but they need your support. Albany is indeed a beautiful city of homes and a good place to live but the business people of our city make all this possible. No city can exist without its merchants. Support them! Do your Christmas shopping early and "at home." Don't ever forget that the "best buy" is "to BUY IN ALBANY."

Your Chamber of Commerce wants to say "welcome" to Bernie and Marianne Mander, new owners of Sam's Pharmacy. It is nice to have you in our city and wish you go for your success. A welcome also goes to R. H. Mitman, Consulting Engineer and J. M. Followell, excavating engineer who have new offices at 1112 Solano Avenue.

A number of your Chamber of Commerce board of directors attended the Chamber Leaders Induction Conference at Redwood City, Wednesday, November 19. Dwight Havens from the U. S. Chamber of Commerce was the leader of the conference. The purpose of this meeting was to gain more knowledge to increase the effectiveness of your Cham-

ber of Commerce. **THERE IS A DIFFERENCE ME — ME — ME —** What is the City doing for ME? What is the Chamber of Commerce doing for ME? Yes, there is a difference — YOU — YOU — YOU What are YOU doing for the City? What are YOU doing to help build a better community? Let's not kid ourselves. YOU will gain personally in direct proportion to what "ME" does for the community as a whole. "Till next week . . ." Yours truly, Your Chamber of Commerce Manager.

### MOVING, HOW FUR?

Friends and customers of the Bartones of Barton Furs, 1108 Solano Avenue, Albany, may be wondering "how so" at the "removal sale" now in progress there. Has the recession pelted them? No. Are they moving to another location? Well, yes, they have another location at 1668 Shattuck Avenue in Berkeley where all business will be conducted hence . . . temporarily.

The fact is, Anne and Henri Bartone's little daughter "Cookie" Rachel, aged 5, is expecting a little sister (or brother) in May. Mrs. Bartone will keep the store open until the end of the year, with loads of good buys in quality furs for Christmas.

## Proclamation

The East Bay Association for Retarded Children is planning a week of Public Relations Activity in an effort to acquaint the community with the problems of the Retarded Child in Albany and in Alameda County.

The National Association for Retarded Children has designated the week of November 16 to 22, 1958 as National Retarded Children's Week and in many states throughout the country, local units use this period for a fund raising drive.

However, the East Bay Association for Retarded Children is a participant in the United Bay Area Crusade and will use this period solely to inform the public without a fund raising involvement.

THEREFORE, as Mayor of the City of Albany, and in behalf of the Administration, I hereby designate the period of November 16 to 22, 1958 as RETARDED CHILDREN'S WEEK and urge the citizens of our City to give full attention and consideration to the plight of the Retarded Child in our community.

LEWIS M. HOWELL,  
Mayor of the City of Albany, California

## COUNCIL WILL CLOSE DOWN DUMP MONDAY

The Albany Council took drastic action Monday night and voted unanimously to close down the city dump as of Monday, November 24.

Whether or not it will be reopened depends upon a current survey ending Sunday afternoon. The survey, under the direction of City Engineer McAuley, is to determine the average daily intake and what measures, if any, may be adopted to expand its facilities.

In any case, the council agreed, future dumping will be confined to Albany private citizens and business firms.

William Kenney, who has been operating the dump for some years, told the council he did not believe it would be possible to continue receiving rubbish beyond the present week.

The council has been under pressure from the Army Engineers for some time to stop the floating of papers, boxes, cartons, etc., out into harbor waters. Several plans have been suggested, including the erection of a wire fence on piling which would prevent leakage of debris into the Bay. The Santa Fe, which owns most of the waterfront, also has complained about "encroachment" upon its property.

Mayor Howell and Councilman Blank visited the dump over the last weekend and were quite pessimistic over the problem. They reported to the council that debris had been piled more than four feet high at the center of the dump and that a limit seemed near. Councilman Blank declared: "The only solution that has come up so far is the erection of a wire fence barricade, but it just doesn't appear feasible to spend the \$5,000 for a wire fence if it will only delay closing of the dump for from three to six months."

After some further discussion Councilwoman Zahn moved for closing of the dump after the coming Sunday, but that it be left open to Albany citizens and firms for the remainder of the week unless the city engineer and the health department decided it was becoming a health, or other (Continued on page three)

Bud Rooney, Director of Albany Community Center, today announced November 24 as the starting date of an action-packed table tennis tournament to be held at Community Center.

Over 100 table tennis enthusiasts are expected to enter this year's competition for the Harvard Table Tennis Gold Medals which are awarded to the winners of the men's and women's singles.

The local tournament is part of a nation-wide program to locate and reward outstanding table tennis players. Similar tournaments in other sections of the country have turned the spotlight of national recognition on tournament winners; many of whom have gone on to win further table tennis laurels.

In addition to receiving gold medals, local winners will have their names permanently recorded in Harvard's Book of Table Tennis Champions and will receive inscribed Gold Medal Award Certificates.

**Women's Auxiliary To Meet Tuesday**

The women's auxiliary of the Northbrae Church will meet on Tuesday, November 25 at 12:30 in Haver Hall. Mrs. David Reichel of Japan will speak on the art of designing and making dolls. There will be an election of officers. Dessert and coffee will be served.

**Lions Entertain Albany High School Football Team**

The Albany Lions Club held its annual dinner this week in honor of the Albany High School football team at Spenger's Fish Grotto. Thirty-three players, twenty-five dads, Principal Moore, coaches, managers and cheer leaders enjoyed a pleasant evening. Medals were given to all of the players and others who were instrumental in making the season a success.

Special awards were presented to three players who were chosen by the members of the team as outstanding during the season. These special awards were presented to Bob Widmar, most valuable back; Christy Price, most valuable lineman; and Rick Avery, as the most inspirational player.

Douglas Gordon, of the Associated Students, University of California, was the principal speaker of the evening. His presentation was most inspirational and timely for those who expect to carry on their studies and football careers.

William Savage, coach of the team, did an outstanding job in presenting the players to the guests.

**St. Ambrose Club To Meet Wednesday**

The newly reorganized St. Ambrose Teenage Club met at the church Wednesday with many events planned for the coming year. The first will be the Membership dance to be given Wednesday, November 26 at St. Ambrose Parish Hall, Gilman and Stannage Avenues from 8:30 p.m. to 12 midnight. There will be entertainment followed by refreshments. Music will be provided by the new Hi-Fi set with good top tunes of the day.

**Hill & Dale Club To Meet Tuesday**

Hill & Dale Women's Club of El Cerrito will meet at 8 p.m. Tuesday, November 25 at the Madera School auditorium, Arlington Avenue and Madera Drive, for a social program and short business meeting. Mrs. George Stromgren, California State Federation chairman on education, will be the featured speaker.

Mrs. Donald Young, social chairman, will report on the recent successful series of club sponsored luncheons. Also the progress of the Christmas buffet dinner, for Hill & Dale members, scheduled for December.

Mrs. Frank Kohler, ways and means, will hold a silent auction.

**Friedrich Preller To Give Lecture**

Application of God's healing power to the solution of the problems of men and nations will be the topic of a public lecture on Christian Science to be delivered in Berkeley on November 24 by Friedrich Preller of Berlin, Germany.

On extensive tour as a member of The Christian Science Board of Lectureship, Mr. Preller will speak under the auspices of First Church of Christ, Scientist in church auditorium, Dwight Way and Bowditch Street at 8 o'clock. His subject will be Christian Science: The Unfolding of Divine Power in Human Life. The lecture is free, and local members have invited the public to attend.

hazard, in which case they could order it closed at once.

In further action the council adopted a motion to create a city parks and recreation commission of five members, each councilman to name one of the five. A member may be dropped if cause on a four-fifths vote of the council. The resolution was drawn originally by Councilman Donahue, and was passed with few minor changes. City Attorney Foley was instructed to draw up a formal resolution in keeping with the terms proposed. Creation of such a commission was urged in a letter to the council by Superintendent of Parks and Recreation E. L. Nelson.

A two-week leave of absence was granted Mrs. Bette Rhoad of the city hall staff on recommendation of City Clerk Myrt J. McLean. The vote was 4 to 1. Mrs. Zahn casting the dissenting vote.

The council set December 1 for a public hearing on the request of contractor Paul Rago for rezoning of property at 631 Stannage for the purpose of building a four-plex. The rezoning has been recommended by the Planning and Zoning Commission after a hearing before that body. Show.
